

# North Carolina Small Grains Whistle Stop Tour Spring 2024

Join us as this spring as we tour North Carolina Small Grains to talk about important production topics. There are a set of demonstration plots, a farmer field, or a replicated test at each location coordinated by the local Agricultural Extension Agent and the Small Grains Extension Team at NC State University. For more information on any of these events: Please contact Angela Post at [angela\\_post@ncsu.edu](mailto:angela_post@ncsu.edu) or 919-625-9850
